## Eagles Ready To Open Season

The Frederic High Eagle baseball team is ready and waiting to open their 1965 diamond season next Tuesday, April 20th when they will entertain Gaylord St. Mary's. Eagles mentor Ron Freil has virtually his entire 1964 team back with the exception of Mike Harmer, last year's all conference pitcher who graduated last June.

The Frederic outfield and infield is intact from last season. All workouts to this point have been held inside, but, Coach Freil expected to get his charges on the outdoor diamond this week.

Since the publication last week of the season's schedule for the Eagles, single games of a non-conference variety have been signed with Alanson and Mancelona. Coach Freil also announced that two double-headers would be played this year, both on Sundays. They will be conference frays with Alba and Rapid City.

## Reminder Spring Clean-up Time

It is very close to that time of year again when people will be cleaning the yard of leaves and dead grass left from last fall. Many people will want to burn this debris, others will haul it to the dump. If you are one who is going to burn this debris, we ask that you use extra care (a large percentage of the fires that occur in the spring are caused by debris burning), and do the burning at a time when it is most favorable. Don't burn when the wind is blowing. If the wind should start blowing while you are burning, put the fire out and wait until the wind has gone down. Try to burn debris in the evening after the wind has gone down. This way the debris will, no doubt, be burned up and the fire dead out by morning, leaving little chance for a going fire to get started from a smoldering pile the next day when the wind may blow again. Any time that burning is being done the fire should not be left unattended until it is dead out.

**BURNING PERMITS** are required by law any time the ground is not snow covered. If you live outside the city or village limits, burning permits can be obtained by telephone or in person at the Conservation Equipment Station, 1/2 mile north of Grayling on Old 27, telephone number 348-4031 or 348-3191 after 3:00 p. m.

If you live in Grayling permits can be obtained by telephone at the city office, telephone number 348-2121. If you live in Frederic permits can be obtained by telephone from Allen Long, telephone number 348-6366.

Once again A. B. C. — Always Be Careful with fire.

Forrest Annis,  
Forest Fire Officer

## Trio Attends Area Chamber Workshop

Mrs. James Forbes, Marilyn Lomworth and Chamber Manager Earl Longworth attended a Northern Michigan area Chamber of Commerce Workshop at the Perry Hotel in Petoskey Friday, April 9th.

Nine area Chambers were represented at this meeting. Topics of discussion were: Industrial Development, Community Leadership, Membership, and Committee work.

## SCHOOLS CLOSE FOR EASTER VACATION

The Grayling Public schools will close at noon this Friday for Easter vacation, and reopen on Monday, April 26 at 9 a. m.

St. Mary's school will close at the end of the school day on Thursday, April 15, and reopen again on April 26 at 9 a. m.

The Feldhauser school will follow the same schedule as the Public schools, from noon Friday to Monday the 26th at 9 a. m.

Frederic Community school will have only Good Friday for a vacation, closing at the end of the school day Thursday, April 15.

## Camp Escapee Tracked Down

A Camp Lehman walkaway was captured early last Thursday morning after being tracked down in a four hour chase. Warren L. Land, 26, left the camp located northeast of Grayling at Hartwick Pines State Park about 9:30 p. m. last Wednesday night.

He was captured south of Grayling about 1:30 a. m. Thursday by State Police from the Houghton Lake Post and Lt. Fred Blaauw of Camp Lehman.

Land was lodged in the Crawford County Jail after his capture and returned to Southern Michigan Prison at Jackson later that day.

**AN AREA** blockade was set up by officers from the Houghton Lake, West Branch and Gaylord state police posts, Crawford and Roscommon sheriff's departments, and the Grayling City police department.

Deputy Sheriff John Galloway issued a reckless driving ticket to Robert John Hale of Grayling last week, the Sheriff's office reports. He will appear before Justice of the Peace Don K. Gothro in the near future.

## Trio Injured In Accident

Curtis Feldhauser and James Jorgenson both age 18, of Grayling are in Mercy Hospital suffering extensive face lacerations as a result of being in an automobile accident at approximately one in the morning on April 10. The car in which they were riding, driven by Thomas M. Tyron, age 19, hit a power pole at Charles Street.

Jorgenson and Feldhauser were taken to the hospital by Larry Pratt and Jerry Owen whom they flagged down in the middle of the highway. Tyron was taken to the hospital by city police who investigated the accident. He was treated and dismissed.

Tyron has been charged with reckless driving and being a minor in possession of an alcoholic beverage to wit beer. He appeared before Justice of the Peace Don Gothro on April 12 where he pleaded not guilty to both charges. He was released on \$100.00 bond pending future trial.

Jorgenson and Feldhauser have been charged with being minors in possession of alcohol and will appear before Justice Gothro.

**A WARRANT** is being issued to the person who furnished the several cases of beer to the trio on Friday evening and Saturday morning April 9 and 10 according to the Grayling Police Department.

## Retiring Fire Chief Pleasantly Surprised

By Jess Skinner

As a means of personally paying their respects to retiring Fire Chief Art Mayer of the Frederic Fire Department, a fine representation of local citizens turned out for a surprise party in his honor on Monday night, April 5th at the Frederic Town Hall.

The party was sponsored and worked out by the Ladies' Auxiliary. The Fire Department, in co-operation with the Auxiliary and Mrs. Mayer on the surprise element, had previously announced that the April 5th meeting would be "open to the public," with a special movie program as part of the evening's proceedings.

In the meantime the Auxiliary proceeded with the details of their plans, one in particular being a very special cake, a perfect replica of a fire truck, cleverly designed even to windshield, driver and of course decorated with fire engine red frosting. To Art went the honor of cutting the cake, which was deliciously enjoyed with ice cream and coffee.

The Auxiliary also cooperated with the Fire Department in a gift gesture, an electric razor. Presentation was made by Miss Anita Lozon.

**AS A** fitting climax to an evening of surprises, Art officially presented a personal gift of his own to his successor, 1st Asst. Chief Allen Long. It was an attractive new Chief's badge.

Art may have had a lump in his throat as he made this last gesture, ending his tenure as Chief, but he also may well have experienced a feeling of pride and satisfaction over the obvious turn-out of local citizens in his honor. His words of thanks and appreciation for a memorable evening seemed to indicate just that.

## Kiwanis Club Notes

By Wes LaGrow

Monday evening the Kiwanis Club of Grayling held their regular weekly meeting at the Chief Shoppenagons Motor Hotel. The program was in charge of John Latuszek.

A film was shown concerning the Michigan United Conservation Club's Boys Club. The Grayling Kiwanis Club will sponsor a local boy to the MUC's Hamlin Lake summer camp this summer, so the film was an informative one for the club members to view.

Mr. and Mrs. Charles Smith left for a vacation in the Adirondacks.

## Weather Slows Track Season

A late, late spring plus a heavy snow cover is raising havoc with the Grayling Viking's 1965 track season, head Coach Don Ferguson said Monday.

Although the team has been running some out of doors, they have not as yet been able to use the cinder lanes at the Grayling Memorial Recreation Area as one end of the quarter mile oval is still covered by snow in places and in other spots by deep water.

A triangular meet slated for Friday of last week between Grayling, Harbor Spring and Mancelona here had to be cancelled due to field and weather conditions. It might be slated for later in the season, Coach Ferguson said, but doubted it. A meet scheduled for Monday of this week at Gaylord with Grayling, Gaylord, Pellston and Mancelona competing also had to be scrubbed as the Blue Devils track and field area is still snow covered.

**A DUAL MEET** slated here this Thursday between Grayling and Harbor Springs was still "on" at the first of this week with Coach Ferguson and the Viking linealists keeping their fingers crossed and hoping for good weather.

## Weather Slows Track Season

Grayling High School loses another long-time member of its faculty in the resignation of Mrs. Roy (Peg) Milnes at the completion of the school year. Mrs. Milnes is retiring after a total of twenty-seven years of teaching. She has taught Geography, English and Health, Grade and High School Music.

**MRS. MILNES** graduated from Clare High School, then took her B. A. degree at Central Michigan University in Mt. Pleasant. She has done additional work at the University of Michigan and Michigan State University. She began teaching in the Grayling schools in 1918 and taught for five years, retiring then to raise a family. During the acute teacher shortage she agreed to return to teaching in 1943, only temporarily, but time went on and on to add up to another twenty-two years.

**"My first love is music,"** said Mrs. Milnes. In looking back through the years, the Glee Club under Mrs. Milnes' direction has received for twelve consecutive years a Superior rating in the District Festival held each spring. This means mostly Ones. Grayling High School has been host to four Michigan State Vocal Association Massed Singing Festivals, at which Mrs. Milnes was co-chairman, and one District Festival of which she was chairman. One year she served on the District Committee to pick festival music.

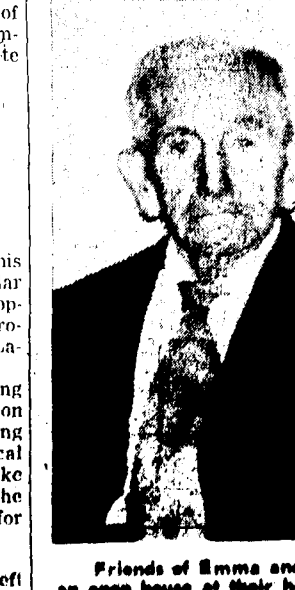

This year's school Yearbook is dedicated to Mrs. Milnes, a fact which makes her very pleased and proud, she stated.

## LILY DAY A HUGE SUCCESS

Forty-two children took part in selling paper "lilies" for the Crippled Children this past weekend on the streets of Grayling. \$217.53 was turned in by the children which will be used for shoes, braces, and any other needs of our crippled children or adults. To all the children who worked so hard we say a great big "Thank You". Prizes given by Mrs. Gould were won by Mary Lou Denewitt who sold \$23.13 worth, Rick Gould \$22.14, and Mike McNamara, \$16.13. A party is planned by Mrs. McNamara for the children who worked on this worthy project, soon after Easter.

## GHS Represented At Driver Ed. Conference

Earl Gierke and Don Ferguson represented Grayling High School at the thirteenth annual conference for teachers of driver education held Saturday, April 10, at the Rackham building, University of Michigan, Ann Arbor.

**AMONG** the speakers at the conference were Gerald J. McCarthy, Chief of Design, Michigan State Highway Department; Dr. Harold F. Powell, Professor of Educational Psychology, Wayne State University; Reynier Staats, Safety and Traffic Division, Auto Club of Michigan; Captain Donald E. Oates, Safety and Traffic Bureau, Michigan State Police; Fred J. Serra, Chief of Police, City of Mt. Morris; and Robert C. Stites, Executive Secretary, Michigan Sheriffs Association.

Dr. A. A. Vezzani, Department of Vocational Education and Practical Arts, University of Michigan, was in charge of the conference.

## Engagement Announced

Mr. and Mrs. Evert Jones of 503 Ingham Street, Grayling, announce the engagement of their daughter, Jill Suzanne, to Mr. Richard E. Boyd son of Mr. and Mrs. Ivan Boyd of Flint.

Richard is a graduate of Flint Central High School and Jill a graduate of Grayling High School. Plans are being made for a wedding.

## Cook Renamed Mayor

At the organizational meeting of the Grayling City Council held Monday evening following the City Spring Election, Dr. J. F. Cook was re-elected as Grayling's Mayor.

Action was also taken by the Council to put the city's parking meters back into operation on Saturday, May 1st for the season.

Renamed as Mayor Pro Tem was James Duley with Mayor Cook and Councilman Alfred J. Sorenson again to serve as the city's two members on the Crawford County Board of Supervisors.

Earl Burns and Emil Giegling, both former members of the City Council, were named as members of the city's Board of Review.

**NEW COUNCILMAN** Earl Broadbent, who was just elected at the April 5th City Spring Election, was sworn in and took his seat on the Council.

## Named To Attend Girls' State

The American Legion Auxiliary, Unit 106 has chosen Miss Anne Marie Church, Grayling High School junior and daughter of Mr. and Mrs. Jack Church of 104 Vilas as the girl they will sponsor to the annual American Legion Auxiliary Girls' State to be held on the campus of the University of Michigan in Ann Arbor June 15 through 22nd, Mrs. Schuyler Gibson, Legion Auxiliary Girls' State Chairman, announced this week. Miss Betty McLeod, daughter of Mr. and Mrs. Elvin McLeod of Lake Margrethe has been named as alternate.

## THE EFFECTIVE direction of activities established by Mr. and Mrs. Richard DuBois and Mr. and Mrs. Leonard Knibbs, who so efficiently planned this event in former years, was continued this year by Mrs. Martin Kitchen and Mr. and Mrs. Albert Westervelt.

## PLAN RABIES CLINIC FOR DOGS

There will be dog clinic held on Thursday, April 22 from 2 p. m. to 6 p. m. in the Grayling Fire Hall in the new City Hall Bldg. Rabies shots will be administered by an authorized veterinarian for \$2.00 per dog. If possible phone 348-8095 or 348-3956 for appointment if you plan to bring your dog in. In this way enough vaccine will be on hand for all.

If your dog was given the shot in 1964 it is not necessary in 1965. The shots are two year shots.

**A county ordinance** has been passed requiring proof of a rabies shot in order to get a dog license in 1965 and thereafter. The shots to be given April 22nd will be applicable for next year's license, please bring in your dog. This will be the only clinic here this year.

Rabies is an acute infectious disease of mammals characterized by irritation of the central nervous system followed by paralysis and finally death.

**RABIES IN DOGS**

Rabies is an acute virus disease that can be communicated from dogs to man and other mammals.

## Frederic Fire Aux. Plans Mother-Daughter Banquet

A Mother - Daughter banquet sponsored by the Frederic Fire Department Auxiliary will be held on Thursday night, May 6 at the Frederic Town Hall starting at 6 P. M.

Mrs. George Hilton of Grayling will be the speaker. Reservations must be made by April 30th with Mrs. Letha Long. Tickets will be \$1.25 or 75c for those 12 and under. A roast beef dinner is being planned.

**Twilight Twirlers**

The Twirlers are having lessons on Thursday nights at the elementary school gym now, juniors at 6:30 p. m. and seniors at 7:30. New classes are starting this week and next.

The Twirlers have received invitations to two festivals, the Kalkaska Trout festival and the Cherry festival in Traverse City. They have been asked to appear in all three parades in Kalkaska and in two at Traverse City, but so far have not decided how many to accept.

They plan to take part in many other parades and celebrations during the summer.

Don't forget the Mother's Day cakes the girls will be selling.

over the years in the process of transforming him from a gurgling infant to a young adult?  
Very few parents have any idea of what the cost has been. They have never thought of their children in terms of dollars and cents. Had they paused along the line, however, to tally up the bill, they would have been staggered. The cost of raising a child to age 18 runs well into five figures. Fortunately, it is spread out over the 18 years and is on a pay-as-you-go basis.

Economic studies into the financial costs of parenthood have been made by the Department of Agriculture, the New York Community Council and others.  
**THEY SHOW** that there is a great divergence, from family to family, in how much is spent. For the most part, income is the determining factor.

Where net income per family is between \$5,000 and \$7,000, as is the average in Crawford County, the outlay per child is approximately \$19,100 to age 18.

The biggest part of it is for food. The figures show that a girl consumes about \$8,200, worth and that a boy will outeat her by at least \$500 over the period.  
This is a cost that is distributed over the 18 years. Some costs, on the other hand, must be handled as they arise.

The initial expenditures, for example, in connection with the birth of the child. Medical fees, hospital bills and baby equipment call for an outlay of \$650, on average.

**AFTERWARD**, in the course of his 18 years, a boy will use \$2,400 worth of clothing and a girl, \$2,900 worth. Dental and medical expenditures for the normal child are figured at about \$1,000.

Other items listed are the portion of housing and transportation costs attributable to the child as well as the many incidental expenses, ranging from dolls to baseball bats and from lipsticks to bicycles.

What has been the overall amount spent on the 110 boys and girls in Crawford County who are reaching 18 this year?

Based on the average expenditure per child locally, a grand total of \$2,101,000. And that is before any consideration of college costs, for those who are going there.

## "Continental Engineers"

By L. O. Ramer  
Lawrence Institution  
Of Technology

The only strictly offensive expedition — begun and maintained throughout the American Revolution — was the Clinton-Sullivan Expedition, conceived in 1777, delayed in 1778, executed in 1779. All other campaigns were of the "hit and run" variety, since General Washington did not have the forces to execute direct assaults on the large cities that were "occupied" by the British forces: Boston, New York City, Montreal, Philadelphia, etc. (where their military picknicked in safety of numbers, amidst the sympathy of Loyalists).

The surprising fact is that the number of men employed, in total, may have been less than 3000 loosely-knit colonials, whereas as the British and Tories exaggerated them to be nearer to 10,000. They consisted of many local militia,

groups of 5 to 12, from the Vallies of the Connecticut, the Hudson, and the Susquehanna Rivers. They, roughly, correspond to rifle and rod and gun clubs of the 20th century — and, mainly, brought their own arms and clothing. (Who shall be allowed to bear arms today?)

**THE BUDGET**, granted by Congress, was less than one million dollars — about the price of a medium modern missile — and they didn't spend it all on the Clinton-Sullivan Expedition.

"Whispers" from Indian Scouts, and letters from General Butler, to Colonel Bolton said "the troops at Osego Lake (N. Y. State) were sometimes busy damming the lake" with pine logs and mud, to raise the lakes level so that "bateaux" could be floated on the creek" (really the North Branch of the Susquehanna River, "that leads in to the Susquehanna River," (some unknown local yokel "suggested" the dam to General Sullivan — the youth never got an award.)

Well, the militia, the "Continental Engineers", built the dam, in the spring and summer of 1779, and burst the dam on August 8, 1779, flooding the Suskie's meanders to and beyond Oneonta, and on past Tioga, and on to Wyoming (now Wyoming, Pa. near modern Scranton). The Indians fled, in terror, at the "Long Blue Serpent's" control of nature. (The straggling "blue-coated" militia marched in file, thru swamps, along the north shore of the swollen river.) Some 200 bateaux rode the crest, like a tidal bore from where stands modern Cooperstown (site of baseball's Hall of Fame) to a junction of the Chemung and Susquehanna, at Tioga. From Fort Augusta (now modern Sunbury, Pa.) another "Long Blue Serpent" battled the swollen current and swampy shores; to merge with their south-bound compatriots.

Supplies, cannon and powder were shuttled up and down the "Suski" and the merged forces began to "scratch the earth" along the Chemung, into the Mohawk and Genesee River valleys driving the Six Nations to the shelters of the British forts: Oswego, Niagara, Erie, Detroit — and Mackinac too.

**THE ACTUAL hardships** — of these "engineers" — were great, and various, and it was no picnic! The troops really "suffered boredom" from "girdling" apple, pear, plum and cherry orchards. (Yes! the Indians knew horticulture); and from burning fields of beans, pease, squashes, pumpkins, — and from tossing millions of ears of corn (green) and tons of squashes, gourds, and pumpkins, into the rivers and creeks, and from burning 3-storied, glass-windowed clapboard houses in the Indians villages — nicer homes than some of the marauders came from. (Copies of Indian homes castles near Wyoming.)

The Indians had been furnishing tens of thousands of bushels of corn, potatoes, tomatoes, beans, peas, and thousands of squashes, gourds, pumpkins, melons, and tons of dried fish, dried corn, and dried meats to supply and supplement the afore mentioned forts, diet of "rum and hardtack."

The diets of the British soldiers, in the forts, and of the British Navy, anchored off Montreal, thus had "plenty of corn ears, corn meal, corn meal mush, corn bread, and maple syrups, etc." to bolster the very little they got from England or Jamaica.

**SO IT GOES!** The New York and Pennsylvania Loyalists (Tories) ceased to enlist, and fled to Canada. The Indians lost their food, and food sources, and demanded food from the forts, garisons (or else!), and British belts were tightened, and fort forays ceased.

The need for the expedition was forced onto Washington (and Congress) by the clamors of the settlers, as a measure of safety from repetitions of massacres like the recent ones (1778) at Wyoming

(Pa.) and Cherry Valley (N. Y.) Washington's letters to his generals are replete with the plans to remove the Indian-Tory "daggers" from his back, so that they could concentrate on the defeat of the red-coated Seaboard invaders, established in the cities, in a semi-social, semi-military semi-holiday aura.

**HE NEEDED** to reduce the threats from westward expansion, where the forts and the British Navy barred the way, and to destroy any re-attempts to split the Colonies by Montreal based campaigns down Lake Champlain and into the Hudson Valley. (Toconderoga, Bennington and Saratoga were fresh in Colonial minds.) Most of all, Washington, and Congress, needed to control the "watery wonderland" interior, as a "bird-in-hand" for any peace conference. (Else we would have been a "strip nation", confined by the Atlantic, and eternally beset by the British and French and Spanish).

In the treaty of 1789 was included all that we now call the "Water Wonderland of America" (plus part of what we now call the "Seaway" — our "Eighth Ocean"). This would not have been so, but for the "Continental Engineers" (and the unknown boy) who "sometime were busy damming the lake" — Lake Osego (N. Y.) — (the "glimmerglass" — and it is — of James Fenimore Cooper's "Leather Stocking Tales").

When the Militia were disbanded, to return to their Vallies, they chose to accept grants of land, in lieu of military pay — and they chose the gentle slopes, and the fruitful river bottoms, and the shores of lakes, in the vales they had scorched a few years before, "remembering" how much larger were the corn, the pumpkins, and the apples, — and the houses — than what they had "at home".

When their "population-pressure" mounted, their children ("engineers") the settlements in the "Watery Wonderland of America", which "their fathers had guaranteed for them".

**IN 1929**, the 150th anniversary of the Clinton-Sullivan Expedition, there was much "celebrating" and "orating" (pro and con) — now forgotten — in the Vallies of the "Suskie", the Chemung, and the Genesee, and along Seneca Lake.

Armed with picks and shovels, a bunch of us (from Hartwick Seminary-built 1815-16, a few miles from modern Cooperstown, past which spot the "tidal bore of 1779", past which spot the "Blue Serpent" began its "long crawl") unearthed a log remnant of the "dam", still as tough as nails. (Tis said, at a post Civil War celebration on Main Street, Cooperstown, all the logs of the dam were burned in a huge bonfire! — all but one chunk!!)

And there may yet be more! A local Detroitier, (Oneonta-born) has researched many Lake Osego campsites, and has a collection of Continental uniform coat buttons, pewter-cups, — and miscellaneous artifacts, that the "engineers" of American Independence never bothered to re-use, or pick up.

## BITS O' TALK

Mr. and Mrs. Joseph D. Moyer returned home April 9 from Indiana by way of Dayton, Ohio, visiting their daughter Carolyn Edgingfield and family, also celebrating the arrival of John Franklin on April 2nd. He weighed in at 8 lbs. 9 oz.

The Ellsworth Merricks of Dayton, Ohio, have arrived at their home on 612 with a new trailer.

Word has been received in Grayling of the coming marriage of Miss Brenda Joyce, daughter of the John M. Joyces of Evansville, Indiana, to Mr. Arnold Keith Jerome, Jr., son of the Arnold Jeromes of Pontiac. The wedding is planned for April 24th at St. Paul's Episcopal church in Evansville.

The Rev. Charles Allen was away last week holding special services at the Pontiac First Free Methodist church. He returned home Sunday evening.

Richard Campbell, who arrived home from Norfolk, Va., March 16th, returned to his ship, the USS N. Hampton after spending ten days with his wife, (the former Judy Harwood). His mother, Betty LaChapelle, and Judy drove him back, stopping in Washington, D. C. enroute. Betty and Judy spent several days visiting at the home of the Ervin Snivelys (Marguerite LaChapelle), in Norfolk, arriving back home April 6th. They brought Mrs. Cecile Raup with them. She has been visiting the Snivelys for some time enroute home from Florida.

The C. S. Lemlers planned to start back home last week from Jensen Beach, Florida.

Tom Evans returned home from Melbourne Beach, Florida, on March 31st. Mrs. Evans stopped off in Fort Wayne, Ind., and she and her daughter, Mrs. Robert Druhot, arrived in Grayling Tuesday of last week. Mr. Druhot joined them for the weekend.

Mr. and Mrs. Richard Lovely spent the weekend of the second in Bay City and on Monday attended the funeral of her cousin Mrs. Ludvine Lamoria. They continued on to Saginaw on business and had dinner with Mrs. Lovely's sister, Mrs. Walter Freuchtel.

Thomas Stancil and sons George and Philip left Sunday to join Mrs. Stancil at Fort Lauderdale, Fla., and spend a couple of weeks before bringing her back home.

Mrs. Cecile Raup returned home Tuesday of last week after spending some time visiting her daughter and family the Ervin Snivelys at Norfolk, Va.

Mrs. A. M. Lewis was called to Manistique last week owing to the death of her brother-in-law, Elmer Lundstrum.

Mr. and Mrs. Richard Snyder of Bay City visited Mrs. Oscar Hanson and Mrs. Ella Wilcox over the weekend.

Eighteen girls comprising the "Symphonettes" under the direction of Evangelist Ken Hasper, from the Grand Rapids School of Bible and Music, performed at the Calvary Baptist church last Saturday evening at 7:30.

Stewart Hauxwell reported a robin in his front yard early Wednesday of last week, the first to come back since the late March snows.

Albert Hooper of Columbus, Ohio spent last week with his brother and family here, the Charles Hoopers. On his return he was accompanied by his sister, Mrs. Laura VonVille, who will visit with her children in Ohio.

### OUR GANG

Our Gang Club met at the home of Mrs. Hurl Deckrow April 1st. After the short business meeting, a reading was given by Ollie Lovely. A rose bowl was sent to Mrs. Hannah Baker who was on the sick list. Penny prize was won by Doris Palmer. Next meeting is to be held April 22nd at Ollie Lovely's. Serving on the committee were Mrs. Helen Hatfield and Elsie LaMotte who served a delicious lunch.

Ollie Lovely, rpt.

### Moose Lodge Activities

The lodge had two teams represented at the international bowling tournament at Windsor, Ont. this past weekend. Those going were, Art Stephenson, Don Bancroft, Jim Stephan, Bob Annis, Burt Bayne, Elmer Neal, Ace Worden, George Quinn, Richard Sajak, Steve Jorgenson.

Wes Seder and Lloyd Gierke are in Mercy Hospital. B. W. Cleek is in the hospital at Kalkaska.

The Degree Team received a very nice welcome by the Manistee Lodge, all the State Officers, and Nick Arnold from Moose Heart, at the Manistee Lodge grand opening Sunday. The team had the honor of doing the degree work and received many fine compliments.

State Director Harold Kretsinger paid a visit to the lodge Monday evening. He met with the officers Monday evening, he also plans on being here July 17th, 18th, for our enrollment and Legion of the Moose meeting.

There will be a regular meeting Friday, April 18th at 8:00 p. m. sharp. There will also be an officers' meeting after the regular meeting.

Friday, April 23 at 8:00 p. m., is our next enrollment. It will be done by our own degree team. Sunday, April 25, the team enters State Ritual competition in Muskegon at 10:00 a. m.

Friday, April 30th, will be installation of officers at 8:00 p. m. The WOTM are invited.

High temperature equipment, circular X-ray cameras, computers that register a half-million digits in seconds, these are just a few of the amazing things that twenty-five physics students of Grayling and Frederic High School viewed last Thursday when they took a field trip to Michigan State University as a part of the career-incentive program of the Crawford County Cancer Society. This initial tour of possible careers was sponsored by the local Cancer Unit in cooperation with the Grayling High School.

This enlightening experience began with a tour of the million-dollar cyclotron building, still under construction, which houses a million-dollar cyclotron which has an ion particle accelerator. This very complicated equipment is being installed in a cement shield compartment made of cement brick walls 4 to 6 feet thick, and will be used for defraction, scattering and other experiments.

In the afternoon an extensive tour of the new chemistry building was taken. Here units for twenty-four students contained the latest in modern laboratory equipment. Special counter tops, exhaust systems, Pyrex drainage, steam pressures and any other possible necessity for individual experimenting, with distractions of any type held to a minimum, were observed. Dr. Hammer of the Chemistry Department gave a short introductory lecture on the field of chemistry in one of the college classrooms. Formulas on the brown chalkboards, the product of students' classwork, gave many a Grayling student a view of the complicated mathematics. The doctor spoke on the requirements for professional work in the sciences, emphasizing the need for good English, for without the ability to express ideas and the vocabulary to impart this knowledge much would be lost. He recommended as many English courses as possible and two years of a foreign language, preferably German, with Russian next in importance, as well as all the mathematics possible.

THE GROUP divided into three units and were shown three fields of chemistry. The high temperature and X-ray laboratory is designed for study of vaporizing points of alloys over two thousand degrees Centigrade. This one piece of machinery cost \$75,000,000. In the radio-chemistry department geiger and scintillation counters were observed. These are necessary to determine the charge of gamma rays emitted from radioactive substances. The students were shown how radioactive waste substances were disposed of, by being buried in the ground, put in the oceans or saved in special places until radioactivity was no longer dangerous. All personnel in contact with these

materials wear exposure meters which are read every two to four weeks. The new chemistry building and the cyclotron building will be connected in the near future so that all radio isotopes can be transferred between them without exposure.

In another laboratory were studies of qualitative analysis, where high frequency radio beams were striking compounds and their reflected impulses were shown on an oscilloscope to determine the molecular structure of the substance.

A machine shop of latest equipment necessary to build the changing machinery used in research was shown as well as a laboratory where thousands of bottles in hundreds of shapes are blown for laboratory work.

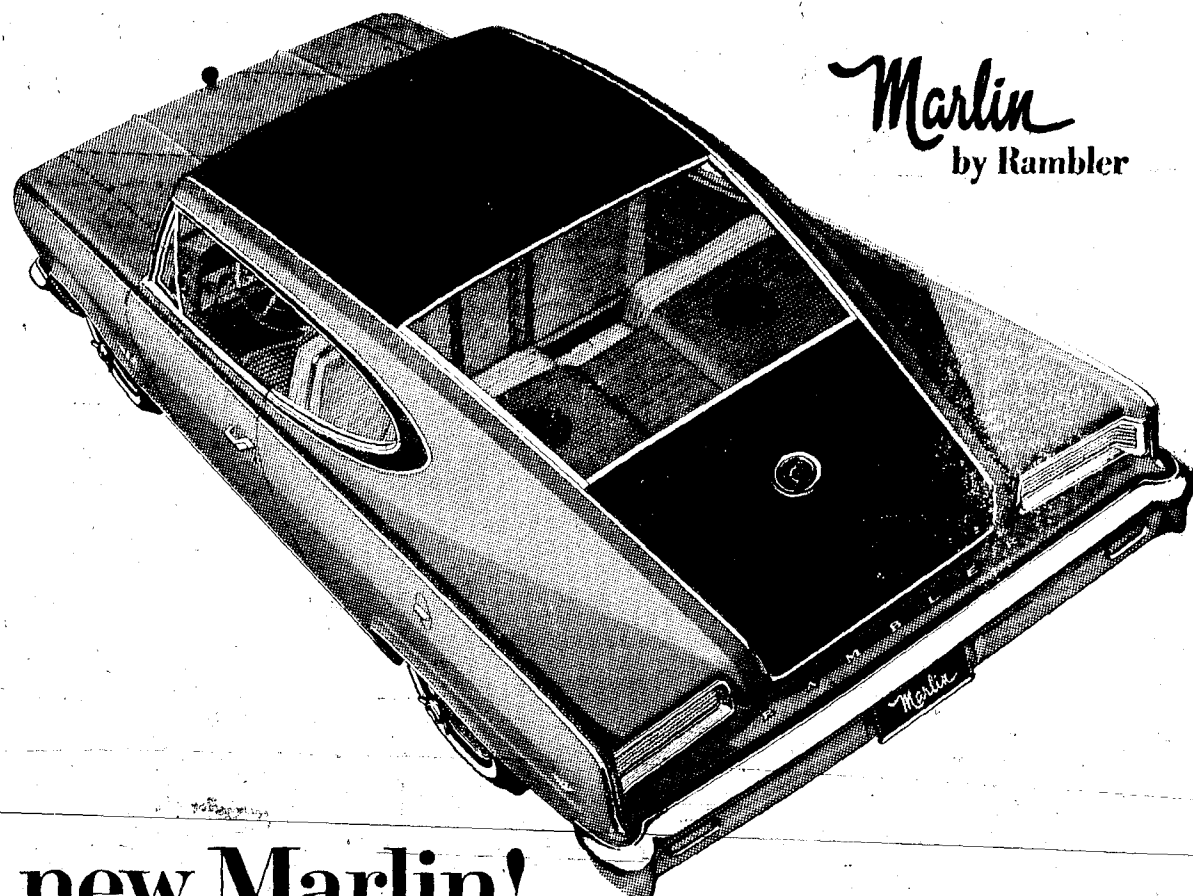

THE VOCABULARY alone of so many "eggheads" made everyone realize how little they really knew about these sciences. One cannot help but be impressed by these laboratory lead-centered doors, emergency shower fixtures in halls and classrooms, fire blankets, and the thousands of vacuum tubes, by the work going on in this new seven million dollar building with labs capable of serving 3,500 students. This career-incentive field trip to Michigan State University where an over \$53,000 research grant was given by the American Cancer Society in 1964 may be a challenge to some students to lessen the shortage of trained investigators who already have examined more than 170,000,000 chemicals in the huge search for anti-cancer drugs. Millions of men and nearly three million women are working in scientific specialties ranging from marine biology to nuclear physics. One of the greatest handicaps to cancer research is the shortage of trained investigators. Scientists never run out of unanswered questions.

Fuel was given to help lagging feet and minds about to flood with new ideas when the group stopped for lunch at the International Center. A brief tour of the Planetarium was taken where impressive black-light displays of the constellations were viewed. Three-dimensional panoramas depicting the solar system were vivid and appealing. The three-stage missile literally challenged one to try and understand this space age.

Adults accompanying and enjoying this tour were the two physics teachers, Bruce Billeter and Albert Westervelt, Mrs. Howard Day, Mrs. Eli Beery and Mr. Bruce Nielson, who drove the school bus.

## World War I Veterans Hold Monthly Meeting

AuSable Barracks, W. W. I Veterans and Auxiliary held their monthly pot luck dinner and meeting on Tuesday, April 6 with a nice attendance. The membership enjoyed a visit from the State Commander and Mrs. Vital Payant of Iron Mountain. Mr. Payant had many matters which he discussed, the proposed closing of the Veterans Hospitals and the Homestead Tax Bill among them. Mr. Marvin, adjutant of Roscommon Barracks was also a guest.

While Mr. Payant met with the men Mrs. Payant met with the ladies and there was the regular routine of business. The ladies decided to send a gift to be given to Mrs. Eleanor Anderson, state auxiliary president at a testimonial dinner to be held in the near future.

After the meetings a white elephant auction was held. Earl Wood doing a bang-up job as auctioneer. The proceeds went to the auxiliary. Commander Payant urged every-

one who could to attend the State Convention to be held at the Soo, July 9-10-11.

## American Oil Company's Second Annual Tire Sale

The American Oil Company takes great pleasure in announcing the use of hometown newspapers to promote the largest tire sale in their history.

MacManus, John & Adams, Inc., one of the nation's leading advertising agencies, has developed an outstanding campaign for this special sale, part of which is the ad appearing in this issue.

This newspaper takes great pride in having been chosen to carry important advertising on behalf of the local American Oil TBA dealers in this area, Clair's Service and Don's Service.

The first of four ads scheduled to appear in our publication in connection with this special campaign may be seen on page five.

The TBA Division of the American Oil Company has stated this is their most extensive campaign to date and dealers are extremely enthusiastic over the record sales anticipated.

## LETTERS TO THE EDITOR

Grayling, Mich.  
April 10, 1965

Editor  
Crawford County Avalanche  
Grayling, Michigan

Dear Editor,

The recent discussions in this column about objectionable materials on display in grocery and drug stores, encourages me to write also.

Last fall I discussed this problem with a drugstore owner and he stated the orders from salesmen were on a package type deal. He had to accept the poor material in order to get the better and more well known magazines and pocket books.

In the free America we live in I find this difficult to understand and accept. Even if this should be true, the owner has an obligation to send objectionable material back as unsold or to burn them. I would make quite a bonfire I'm afraid from all that I have seen displayed in the past.

We have an advantage in living in a city this size. We are small enough to get something done. I would like to suggest that the Grayling Chamber of Commerce president ask the business owners who sell magazines and pocket books to a meeting of the chamber. I would suggest that the meeting not concern itself with accusations but rather to see what real effort can be done on behalf of our youth. They will be our future leaders and citizens. Let's inspire them.

Sincerely yours,  
An Interested Parent

Mr. Robert Strong, Editor  
Crawford County Avalanche  
Grayling, Michigan

Dear Mr. Strong:

May we add our voices to the

expressions of concern over the barrage of filth being offered at local newsstands to our children.

The Supreme Court has decided that "smut" cannot be defined, but surely any parent can decide what he chooses to have readily available to his child.

Therefore, may we suggest that any parent who is concerned about the moral welfare, not only of his own child, but of the community as a whole, should take time to examine these newsstands in our local drug and grocery stores. Leaf through a few of the "gems of pornography" displayed there.

If you doubt that these are attractive to children, ask some of the teachers in our schools how much of this they find in the possession of the twelve and thirteen-year-old students. Examine the statistics concerning the unbelievable rise in sex crimes committed by juveniles during the past decade. Read J. Edgar Hoover's statements on this subject. Mr. Hoover feels that pornography has contributed more than any other single factor to this increase. In other words, make yourself aware!

Finally, if you feel as we do, that the influence of this "trash" can only be debasing and degrading to our community and our children, speak out! But say it where it counts — to the merchant who is selling it.

Sincerely,  
Mr. and Mrs. Tom Douglas

## BITS O' TALK

Mr. and Mrs. Ernest Larson went to Kalamazoo Friday to spend the weekend at the home of their daughter and family, the Vern Essens, and on Sunday they attended the christening of their granddaughter Michele Marie. The Larsons were accompanied by Mr. and Mrs. Rex Hawkins who visited the latter's sister and husband, Mr. and Mrs. Frank Trautman over the weekend and returned with the Larsons.

Mrs. Ernest Borchers and Mrs. Dale Pettengill were in Traverse City Tuesday last on business.

The Bunco Club met Thursday at the home of Mrs. Byron Randolph. First prize went to Mrs. Walter SanCartier, second to Mrs. Walt Allington, and low to Mrs. Shirley Arnold. Mrs. Arthur Hunt of Frankfort, a guest, won the penny prize. The group meets again on April 28th with Mrs. Kip Papendick as the hostess.

Mr. and Mrs. George Skingley returned home April 7th from a five-week trip to Florida. They spent two weeks at Tampa with the Ray Skingleys, then went to St. James City, Pine Island and visited the Warren Vallads. On their way home they spent some time with friends in Toledo, Plymouth and Saginaw.

Mr. and Mrs. Willard Cornell and Nancy returned home Wednesday last after vacationing at Treasure Island, Fla. the past few weeks. Dr. and Mrs. Jack Cook returned home April 2 from Treasure Island, coming by plane.

CARD OF THANKS

We wish to express our sincere appreciation to Dr. Henig, our many friends, neighbors, teachers and First Grade children for their expressions of sympathy in the loss of our loved one.

The family of Matt Edson

Mrs. Vernon Gardner and sons Kevin and Tommy, and Mr. and Mrs. George Skingley were in Traverse City Thursday for dinner with the Ernie Rokos family, and also visited Mrs. Herbert Stephan at Munson Hospital.

Hospital Auxiliary News

Mercy Hospital Auxiliary met in Auxiliary room of the Hospital last Thursday with Mrs. Jack Alst presiding. Sister Mary Janice spoke to the ladies bringing them up to date on the progress in their building plans and changes in their plans and changes in the Hospital proper. The new addition to the nurses home is about completed. She made suggestions to the ladies of how they could be of further help by splitting into smaller groups.

The ladies voted to contribute \$2.00 each to the crippled children and cancer funds. Mrs. James Thompson who had previously contacted Sister Janice suggested several items that funds accumulated could be used for or worked for, such as an isotope for the Maternity Ward.

Miss Mary Dunlap was appointed legislative chairman. Mrs. James Thompson volunteered to be chairman of the pop convention to be operated during the month of July celebration in Grayling.

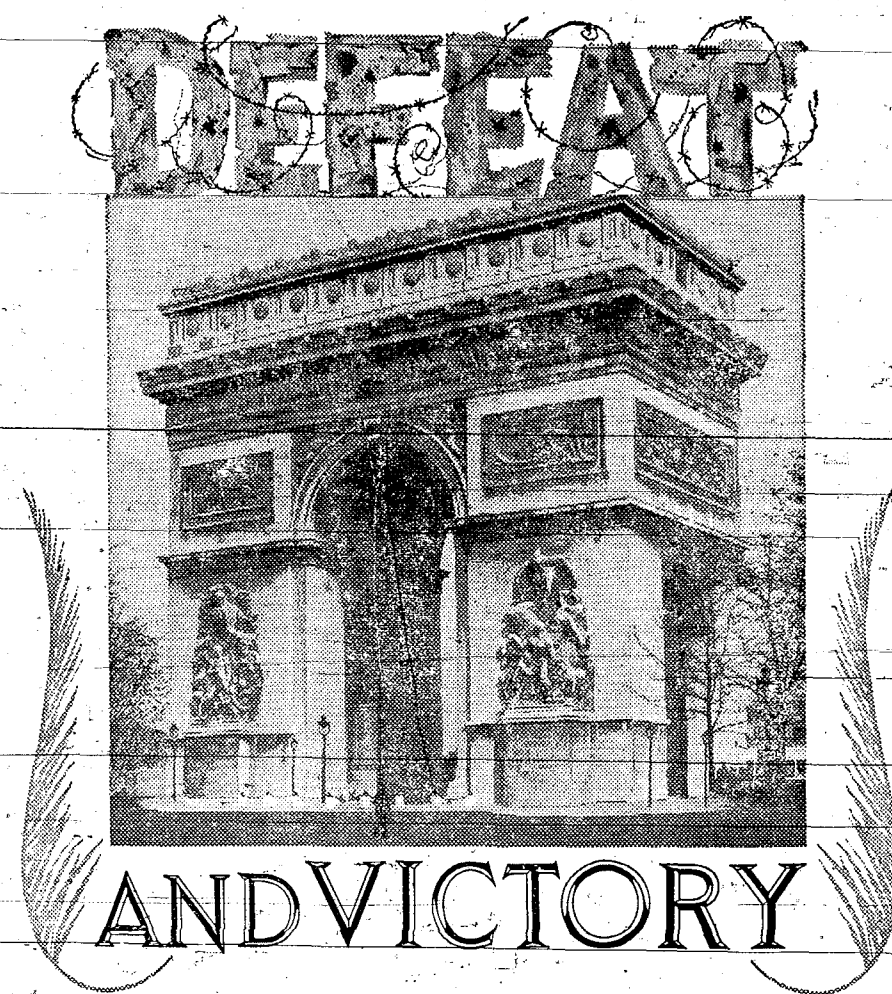

The spring meeting of the North Central district is to be held at Cheboygan on May 6th. Those wishing to go please have reservations with Mrs. W. J. Herie before April 25th.

Mrs. Carl E. Johnson named the workers for the Blood Bank of April 13th.

Mrs. Martin Kitchell and Mrs. LeRoy Papendick served coffee and dessert.

There were 18 members present.

## Attend The Church Of Your Choice

One hundred sixty-two feet high and one hundred forty-seven feet wide Napoleon built his arch of triumph. Proudly it rises above the Place de l'Etoile reminding the world of an Emperor's early victories—and later defeats.

On the road from Bethphage to Jerusalem centuries before there had been another arch of triumph. Nature had fashioned it of palm trees. Beneath their bowing branches the Prince of Peace rode into the city that was to crucify Him.

Jesus, unlike Napoleon, never had need of a gigantic monument to help the world remember Him. The doors of a million churches bespeak His victory. Men pass through them not to gaze upon the majesty of carved stone, but to worship and serve the Son of God.

Napoleon sought for himself a transient glory at the price of other men's blood.

Jesus bought for All Men eternal life—at the price of His Own Blood!

## A Big Question . . .

Back in 1936, President Franklin D. Roosevelt was elected to his second term. The victory was overwhelming — he gained 60.8 per cent of the popular vote and carried 46 of the 48 states. His party held massive majorities in both branches of Congress. It was widely believed that, under these conditions, the President could write his own ticket and that practically anything he proposed would be enacted.

It did not turn out that way. As the magazine News Front accurately states: "Yet, within a year of the election, the President's program lay in ruins, his party was split hopelessly asunder and the Congress was engaged in an active rebellion against his authority."

Last November, President Lyndon Johnson was elected to his first term by an even larger popular majority — 61 per cent. His party's congressional majorities were not so great as those of 1936, but still were extremely large. And, again, it was widely said and accepted that the President would have virtually no difficulty in gaining approval of his far-reaching and ambitious programs.

But there were those, perhaps with longer memories, who disagreed. They recalled that Congress has always been jealous of its prerogatives and powers, most especially when confronted with a strong and determined Executive. They pointed out that heavy party majorities in Congress have not always or even often provided smooth sailing for Administration proposals. In fact, they can work just the other way — when majorities are big, members may feel justified in strolling off the reservation. When they are small, on the other hand, tight party control may be made easier by the exigencies of partisan politics.

In any event, it is now clear that Mr. Johnson has his legislative problems. This does not mean that they are comparable to Mr. Roosevelt's. Conditions, political and economic national and international, are vastly different than they were in 1936. And it certainly is not likely that Mr. Johnson would propose anything so politically disruptive as the Supreme Court packing proposal, which was the root cause of Mr. Roosevelt's troubles. However, as U. S. News and World Report states in the lead article of its March 15 issue, "After less than two months of his first full term in office, Lyndon Johnson is finding the Presidency a growing ordeal — a job where problems mount, few things seem to work out as expected, and political friendships are not always what they seem." The magazine quotes the President himself as saying, "Nothing really seems to go right from early morning till late at night."

The President, it seems, has encountered far more opposition than he anticipated in many fields. The changing, confused Viet Nam and Asian policy is one.

So is foreign aid, with Senator Fulbright, head of the Foreign Relations Committee, refusing to go along with the presidential requests. Numbers of members of Congress, including ranking Democrats, are concerned over the kind and extent of welfare and subsidy programs sent down from the White House. Committees are making fundamental revisions in some of them.

So, how many of the elements making up what the President calls the Great Society will be approved remains very much of a question mark as of this time. Hot and dramatic controversies lie ahead.

## Interesting Events In Grayling 23 Years Ago

### INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

APRIL 16, 1942

Of interest to this community is the announcement of the marriage of Mrs. Louise Connine and Mr. Carl Wilhelm Johnson on Thursday, April 9th, at Birmingham, Michigan. Mr. and Mrs. Johnson are spending some time in the Smokey Mountains, N. C. They expect to return to Grayling the last of the week.

According to Royale Wright, manager of the National Log Construction Co., manufacturers of Air-Lock building logs, there is danger that their plant would have to cease business and close up. Because of federal regulations freezing all building construction, the local plant will be automatically put out of business after their present jobs are finished. This company has run without shutdowns except for repairs since the year 1932, when the "depression" was at its height.

The landscape at the airport is rapidly changing. Shouldn't be long now before it will be ready for "happy landings." Bay City's Clement airport would hardly fill one corner of Grayling's airport.

Miss Jerrine A. Mathews, daughter of Mr. and Mrs. O'Neil Mathews, and Frederick Gillette of Fort Devens, Mass., spoke their marriage vows at a pretty ceremony at the home of the bride's parents Saturday evening at 8 o'clock. Rev. H. W. Kuhlman of Michelson Memorial church officiated and the attendants were Miss Donna Lee LaMotte and Charles Williams.

One of the nice features of Grayling Kiwanis club activities is the club's occasional observance of a "Flowers for the Living" night. Such an occasion was held last night at Michelson Memorial church banquet room. About 75 were present, including several visitors from nearby communities. Also several representatives of the Ford Motor Co., in recognition of Mayor George Burke's many years of dealership with that company. Whenever these occasions are observed the one who is to be honored is not supposed to know anything about it. And on this occasion Mr. Burke was definitely surprised.

Mrs. Don Fitzpatrick and son Donald of Detroit are spending a few days visiting the former's mother, Mrs. Emil Kraus.

Sergeant Robert Winslow of South Carolina is spending ten days visiting Miss Alice Denevert and also Mr. and Mrs. Wilbur Winslow.

This county had its first forest fire Wednesday when about a half acre was burned over. It was west of Warden Otto Failing's home on Lake Margrethe.

Mrs. J. J. Douglas has returned to her home in Bishopric, Saskatchewan, Canada, after spending the winter in Michigan visiting relatives.

Miss Elaine Broadbent spent the weekend in Bay City, the guest of Donald Bohenmeyer.

Miss Pauline Hotrum of Grayling is the new waitress at the Hanson Cafe.

Miss Aileen Larson spent last week in Milford as guest of her aunt and uncle, Mr. and Mrs. Julius Jensen.

Misses Betty Jean Failing and Donna Mae Milikin spent last week visiting relatives in Pontiac and Detroit.

Bill Babbitt of the Great Lakes Naval Training Station is on a ten-day furlough, home visiting his parents, Mr. and Mrs. Howard Bunker.

Mr. and Mrs. Carl Larson and Mr. and Mrs. Herbert Stephan returned Sunday from a visit with relatives in Saginaw, Jackson and Adrian.

Mr. and Mrs. Robert Sorenson and daughters visited in Bay City Sunday.

The Chester Brandt family of Saginaw spent Sunday with the Ernest Lovely family.

Eugene Lawler, English teacher at Grayling High school, spent his spring vacation with his parents, Mr. and Mrs. W. E. Lawler in Buffalo, New York.

There were quite a number of members of the families out to see the boys off who left Wednesday for the U. S. Army Induction Station at Fort Custer. Those who left that day included Kenneth Hoesli, Marius Sorenson, Nels Johnson, Bernard Callahan, Francis Cyski, Russell Peterson, Grayling; Ernest Lozon, Hans Jungman and Shirley Corsaut, Frederic.

A daughter was born to Mr. and Mrs. Angus Macaulay at their home Tuesday night.

Mrs. Clifford Fuller of Marshall visited her sister Mrs. Paul Feldhauser over the weekend.

Harvey Sheffer of Cheboygan is chief engineer for Maurice Dore at the Grayling Machine Shop.

Donald Feldhauser, son of Mr. and Mrs. Paul Feldhauser, has enlisted in the U. S. Marines and at present is located in San Diego, California.

Mr. and Mrs. Jess Cruz, Jr., are happy over the birth of a son, Jess Paul, Tuesday morning. The little lad weighed 9 pounds, 10 ounces.

East Lansing — Miss Mary Jane Joseph, Grayling Sophomore at Michigan State college, was elected President of East Mary Mayo dormitory for spring term. It was announced here this week. Seven dormitories and nine cooperative houses elected officers for spring term this week. These officers will assist the dormitory matrons and house mothers in maintaining quiet hours for study, holding fire drills, planning social events and carrying out the various other duties of dormitory life. Miss Joseph is a Home Economics student in the college this year.

The ladies of the Tuesday club sprung a genuine surprise on Mrs. Stanley Stealy (it being her birthday) and gave her a party at Zauels Tavern in the private dining room Wednesday evening. The long dinner table was centered with a

beautiful lighted birthday cake which was guarded by white tap-ers. After the very fine dinner had been served two tables of bridge were in play. Mrs. Roy Trudgeon and Mrs. Carl Peterson holding the high scores. The guest of honor was presented with a lovely gift from the club.

Born to Mr. and Mrs. Leo Bindschattel, a daughter on April 11th. The little lady will answer to the name of Carol Dianne.

Mr. and Mrs. Otto Loeffler and family of Detroit have located in Lovells.

46 YEARS AGO —  
APRIL 17, 1919

Mr. and Mrs. Harold Skingley are the proud parents of a baby daughter, born to them April 12. The little girl will be known as Virginia Annette.

Carlton Wythe, son of Mr. and Mrs. Earl Wythe, who was brought to Mercy hospital from Rochester, is recovering nicely. The young man underwent an operation.

Mrs. Laura Tetu returned Friday from a couple of months' visit in Detroit and other places.

An eight pound daughter was born to Mr. and Mrs. Andrew Larson of Johannesburg, formerly of Grayling, Monday, April 14th.

Ben Jerome of Pontiac was in the city Tuesday to visit relatives.

Mr. and Mrs. William Bromwell of Riverview are spending the week in West Branch visiting friends and attending to some business matters.

Miss Mable Brasie returned Monday afternoon from North Branch.

Harry Sorenson arrived home yesterday afternoon from Detroit where he has been visiting relatives since being discharged from the army at Camp Custer. He was a member of the engineers of the 27th Division, made up mostly of New York men. While in France, from where he recently returned, he took part in the battle of Ypres.

# SERVICES HELD FOR ALFRED E. SORENSON

Alfred E. Sorenson, who passed away April 1, 1965 at the age of 76 in Des Moines, Iowa, was born in Grayling, Michigan, November 21, 1888, to Mr. and Mrs. Olaf Sorenson, one of three sons. He was confirmed in the Danish Lutheran Church in Grayling by Pastor Beken on April 6, 1902. Completing his schooling here he went on to attend Grand View College and Seminary at Des Moines, and also studied in Denmark.

Mr. Sorenson returned to Grayling to be ordained to the ministry at the local church. The event took place on November 25, 1917. Thereafter he enlisted as Army Chaplain and served in France during World War I, with the 329th Field Artillery.

At the close of the war he was called to his first civilian ministry in Seattle, Washington, in St. John's Lutheran church, a post which he held for over twenty-five years. He also served the churches at Enumclaw, in the afternoon, and Tacoma, in the evening.

On February 9, 1947, he arrived in Chicago, and on February 16th was installed as pastor of St. Stephens Lutheran church. He served there until June of 1953, when he returned to Iowa to work at St. Paul's Mission in Cedar Falls, also serving at Waterloo. He resigned this post in June of 1957, to begin work as pastor and superintendent at the Old People's Lutheran Home in Des Moines.

Mr. Sorenson was married on June 30, 1924, to the former Gertrude Davidson of Ringsted, Iowa.

The couple came back to the Grayling church which had been the scene of Mr. Sorenson's baptism, confirmation and ordination and were married by the Rev. Kjolhede. Mrs. Sorenson was a registered nurse and matron at the Danish Old People's Home, working alongside her husband until her death July 9, 1961.

Surviving are four sons, John of Kirkland, Washington, Hans of

# Palo Alto, California, Erling of

Marshalltown, Iowa, and Paul of Iowa City, Iowa; two daughters, Mrs. Doris Henriksen of Luck, Wisconsin and Mrs. Marie Rasmussen of Knoxville, Iowa; fifteen grandchildren, and one brother, Herluf of Grayling.

Funeral services were held on Monday, April 5, 1965, at the Lutheran Memorial church in Des Moines. Burial was in the Glendale Cemetery, Des Moines, alongside his wife.

## Road Commissioners Minutes

March 26, 1965

A regular meeting of the Board of Crawford County Road Commissioners was held in their office in Grayling. The meeting was called to order by Chairman Corson. Members present, Commissioners Elmer A. Corson, Howard H. Mead, and Harold T. Johnson, and Eng-Supt. Bruce Carlson. Absent, none.

The minutes of the last regular and intervening special meetings were read. A motion was made by Comm. Johnson, seconded by Commissioner Mead, that the minutes be accepted as read. All voted in favor, motion carried.

A letter was read by Eng-Supt. Carlson, from the Kiwanis Club and the Woman's Club of Grayling, asking for the use of the Road Commission facility on Huron St. for the Grayling Trade Show, May 13th through 17, 1965. After discussion a motion was made by Comm. Mead, seconded by Comm. Johnson, that the Chairman be authorized to sign the Certification Maps. All voted in favor, motion carried.

The 1965 Certification Maps were presented to the Board for review and acceptance. After reviewing the maps and additions made a motion was made by Comm. Mead, seconded by Comm. Johnson, that the Chairman be authorized to sign the Certification Maps. All voted in favor, motion carried.

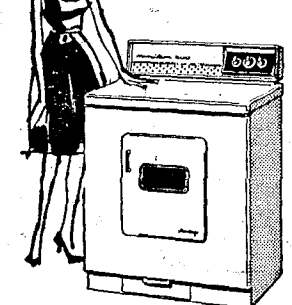

The Commissioners and Eng-Supt. Carlson made an inspection trip over roads in the County. After returning to their office a motion was made and seconded to adjourn. All voted in favor, motion carried, meeting adjourned.

## Michigan's Summer Season Brings Wide and Varied Entertainment

HAPPY PRODUCTIONS

Some really fine entertainment becomes available in Michigan each summer. For those who love the excitement of the stage and have little opportunity to see live dramatic productions, the Summer Theater offers much. For those who are bitten by the theater bug, it offers training, experience, hard work and fun.

Most theater organizations are similar. Backed by a few intensely interested people or a local organization, the group plans a series of productions during the summer season. They can usually entice nationally known actors to appear. This gives an opportunity for promotion and for local people to work with professionals. Tickets are relatively low priced; quality is rather high.

One of the most successful theater operations is going strong at the Cherry County Playhouse in Traverse City. Under the direction of Miss Ruth Bailey, the theater has presented such well known artists as Edward Everett Horton, Richard Arlen, Jill Corey, Wendell Corey, Veronica Lake, Julius LaRosa, Charlie Ruggles and many others.

Presentations are topnotch plays or musicals, both from the classics and contemporary theater.

At present the following Summer Theaters are listed with the Michigan Tourist Council: the Barn Theater in Augusta; Keweenaw Playhouse, Calumet; Clark Lake Playhouse; Tibbits Opera House, Coldwater; Ledges Playhouse, Grand Ledge; Circle in the Park, Grand Rapids; Ramsdell Theater, Manistee; Port City Playhouse, Muskegon; Holly Arbor Theater, Oscoda; Petoskey Playhouse, Oscoda; Irish Hills Playhouse, Ontonagon; Tip-O-The-Thum Playhouse, Port Austin; Houghton Lake Playhouse, Prudenville; Red Barn Theater, Saugatuck; Sister Lakes Playhouse; Northland Playhouse, Southfield; Cherry County Playhouse, Traverse City; White Lake Playhouse.

**DEFECTIVE CARS**  
Beat-up, defective cars on the highways have been a problem for a long time, but there has been a reluctance to produce a law which would require car owners to have brakes, lights, horn, steering and wipers checked. There has been a fear that such a law would be abused by those authorized to make inspections and that unnecessary repairs would be charged to unsuspecting motorists.

In view of an experiment last fall, it seems the public will soon have to make up its mind between putting up with high percentage of defective cars we now have and a law which would require inspection and repair.

According to William Palmer, director of Associated Petroleum Industries of Michigan, that organization arranged with gas stations to offer motorists free two-minute inspections. Results were a good deal less happy than expected. An average of 35% of the motorists stopping at gas stations refused a vehicle check. For the most part, these were cars which looked most obviously to need repair. Apparently owners were afraid it would cost them something to repair their cars.

Of cars checked, about 35% needed some kind of repair to lights, brakes, wipers or horn. Many of these drivers did not have cars repaired promptly, stating that they were too busy or that they would take care of it later.

The choice is whether to risk fraud in a system which would require motor checkups and repairs or to risks accidents which result

# PONY TALES

By JANET W. OLSON

Spring is still sleeping under a blanket of snow, but very soon now she will throw back the covers and burst forth bringing new life with her. It may seem early to discuss Spring foaling, but for those of you who will be responsible for mares and foals for the first time I will try to cover some of the more important facts.

THERE IS always the question of pasture foaling vs. foaling in a stall. If you have a lush pasture and the mare can go off by herself away from the other horses I think pasture foaling is fine, however, if you do not have a good pasture with enough room, if your mare is foaling for the first time or if for any reason you can expect trouble then I feel that a foaling stall where you can keep your eyes on things is best. Most foals are born at night and if it is possible to have the mare outside during the day time she will be happier and exercise is important at this time. You can be sure that if you have been watching her carefully and decide to stretch your legs or go in to the house for a cup of coffee this is when the foal will be born. Most mares foal easily and naturally and would rather be alone. If for any reason you should run into any trouble with a mare in labor it is important that you keep calm and have someone go for help while you stay with the mare, keep her as comfortable as possible, talk to her and reassure her. Let her stand or lie down which ever seems to make her comfortable, but don't let her roll. The actual birth takes a very short time if the foal is in a natural head first position.

Most mares are good Mothers and will lick the foal dry and get it to its feet. If your mare has never had a foal she may seem unaware of what has happened and may even walk away or refuse to let the foal nurse. Now you must help a little and as soon as she discovers the relief she feels as the pressure in her udder is relieved she will welcome his desire to nurse. Don't worry if the mare seems to have little milk at first as the energetic nursing of the foal will stimulate the production of milk. The colostrum that the foal gets in his first few days of nursing is of the utmost importance.

As soon as the foal is up on its feet it is wise to dip the cord in mercuriolate or mercurochrome and let it splash up around the navel. Even if you find the foal hours after it has been born and the cord has started to dry use the mercuriolate around the cord and navel.

A foal can be a "bottle baby" if it's really necessary, but believe me it's work as a new foal must be fed every hour around the clock for the first three or four days, and then every two hours, every three hours, etc., hence it is worth your while to do everything in your power to encourage the foal to nurse. I do have an excellent formula for a bottle baby in case any one needs it.

Anyone having a question concerning ponies, may write to Pony Tales, c/o Avalanche and your questions will be answered in the column.

## Governor Proclaims April As Cancer Month

Gov. Romney has proclaimed the month of April, 1965, as Cancer Control Month in Michigan.

The proclamation reads: "There are more than 1,300,000 Americans alive today cured of cancer. Despite progress made, some 295,000 will die of cancer this year and there will be 550,000 new cases diagnosed."

"Half of those who develop cancer today could be saved through early diagnosis and prompt and proper treatment. Expanded research offers the prospect of new cures and the hope of future prevention."

"THE AMERICAN Cancer Society during April will carry on a 'Tell Your Neighbor' Crusade with volunteers supplying neighbors with life-saving pamphlets about cancer."

Have you any idea of the hundreds of gifts you can choose from with 10,000 Top Value gift stamps? From fishing poles to furniture. From clothes to crockery. From seat belts to shoes. From tools to toys. You name it! Your choice is unlimited! And the best part of it is, you can start picking out your gifts practically the day you change to Gas heat. This offer won't last beyond May 1, so now's the time to start taking advantage of the savings.

What's more, when you switch to Gas, your savings will continue because you'll slice up to one-third off your heating bills. Try to beat that. You can't. A Gas conversion unit can be installed in practically any furnace in about 4 hours. No more fuel storage problems. No more tanks to be filled. No more delayed fuel deliveries due to wind, rain, snow or sleet. When snow gets hip deep (like a few weeks ago) you won't run out of fuel . . . ever!

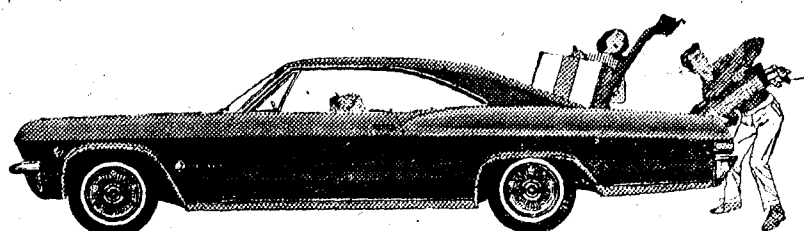

Change to Gas heating by May 1, and get 10,000 Top Value stamps FREE! See your heating contractor to arrange for conversion to Gas. Then call us for your stamps. Just phone 348-6581.

LIVE MODERN . . . FOR LESS . . . WITH GAS

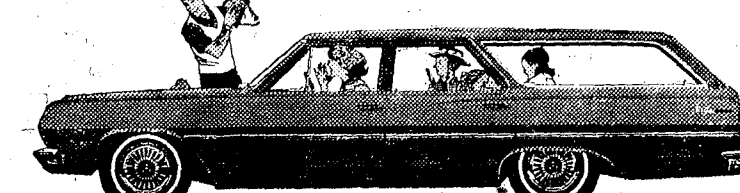

This offer good only in the areas we serve in the following counties: Alcona, Alpena, Antrim, Charlevoix, Crawford, Emmet, Iosco, Kalamazoo, Ogemaw, Otsego, and Tuscola.

'65 Chevy II Nova Sport Coupe

'65 Corvair Corsa Sport Coupe

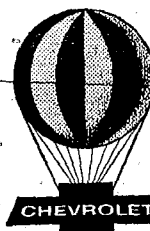

If you've been sitting tight waiting for just your kind of car, with just your kind of power, at just your kind of price—wait no longer!

**Chevrolet.** It's a bigger, more beautiful car this year. Which is why that handsome silhouette could be mistaken for cars costing a thousand—even two thousand—dollars more.

**Chevelle.** This one's got lively looks, spirited power, a softer ride—and remarkable room atop a highly maneuverable wheelbase. No wonder it's today's favorite mid-size car.

**Chevy II.** No car so trim has a right to be so thrifty. But thrifty it is, with money-savers like brakes that adjust themselves and a long-lived exhaust system.

**Corvair.** Ask any '65 Corvair owner how it feels to drive a car with such easy steering, tenacious traction and responsive rear-engine power. And be ready to do lots of listening.

## Bits O' Talk

Mrs. Barney Engel and son Itardman John Engel, who is home on leave until next month after completing radar school at Great Lakes Naval Training Center, and Mrs. Martha Terry were in Traverse City Wednesday of last week on business.

Mrs. Clarence Roberts arrived home today from Buena Park, Calif., where she had gone two weeks ago to bring back her mother, Mrs. George Smith, who had been visiting her son Blake Staub and family. Mrs. Smith will be here with the Roberts family a few days before returning to her home in Kingsley.

Mrs. Herbert Wolff returned home last week after wintering at Sarasota, Fla.

Mike Roberts of CMU, Mt. Pleasant, spent the weekend before last visiting his father here.

Opening Friday, April 16, San Sheri Grill, 6 miles north of Grayling on old 27.

The Leo Morcyns and son Curt spent the weekend with Mrs. Morcyns' sister and family the W. G. Bruening in Saginaw, and Sunday attended Greg Bruening's confirmation at Peace Lutheran church.

Mrs. Carl Doroh left April 7 by bus for St. Johns to visit her daughter, the Max Field family for a couple of days. Friday she visited another daughter the Stanley Barnhart family in East Lansing. The Barnharts and Susan and Jeffrey had returned the day before from a ten-day vacation in Miami and Key West which Mr. Barnhart had earned, and April 6th being the Barnharts' 19th wedding anniversary his family were his guests also.

Mr. Doroh drove down Friday afternoon and visited his daughter, the Herbert Ritter family of DeWitt. Sunday afternoon the Dorohs were guests at an open house celebrating the 50th wedding anniversary of the senior Barnharts, Mr. and Mrs. Ed Barnhart at DeWitt, held at the Memorial Building and given by their children, Gordon, Stanley, Jerry and Mrs. Melvin Hawks. The Dorohs returned home Sunday evening and were caught in the storm which engulfed most of the state.

Opening Friday, April 16, San Sheri Grill, 6 miles north of Grayling on old 27.

Mrs. Vicki McEvers will travel with the Moody Bible school Choral to California, April 15 to May 2 for a schedule of one to two concerts daily, stopping in Albuquerque, N. Mex., for concerts on the way out and at Salt Lake City en route home. The 55-voice choral presents 40-50 performances a season, plus two extended tours, and has an international reputation. Stereo recordings are presently being made.

Mr. and Mrs. Basil Hubbell and Karen, Laurie and Brian moved to Roscommon last week. Nancy and her parents, Mr. and Mrs. Earl Westbrooke, are opening a canoe rental on the South Branch. The new business will be called the Hiawatha Canoe Livery.

## Maple Forest

By Miss Beaula Feldhauser,  
Mrs. Arthur Hesse and Mrs.  
Carle Boyneham

Mr. Charles Owen of Fenton is back at the farm waiting for spring and summer.

Mrs. Roy Papentus and daughter Helen visited the James Post family at Wayland and then went on to Grand Rapids to pick up Ruth to bring her home for spring vacation.

Mrs. Bill Beck entertained the Home Extension Study Group on Tuesday night at her home, and in spite of the foggy night twelve members attended. Two lessons were presented by Esther Weaver. One being on "Food Facts vs. Food Fallacies", and the second on "Landscape Planning". The birthday of Edna Canfield was celebrated and Edna received many nice gifts. The birthday cake was made by Loretta Plagens. The next meeting will be April 20th at the John Petersen home at 904 Park St., Grayling, unless otherwise notified and will be a birthday party for Carolyn Roethel.

## Twin Bridges

By Mrs. Esther Herrick

Mr. and Mrs. Dick Werner came up to spend the weekend at their cabin and had the misfortune to have it and the guest house burn to the ground. They couldn't save a thing.

Mr. and Mrs. B. J. Mundt went to Saginaw to their granddaughter's confirmation and learned their son-in-law, Jim Hoy, was critically ill in Midland Hospital. Speedy recovery, Jim.

Spring surely is coming as your reporter counted 7 red Robins on the lawn and a flock of blackbirds and others at their feeders.

Mr. and Mrs. Kurt Niche spent the weekend at their cabin on Twin Bridge road but snow was to deep to drive in so parked on the road. The Jack Spears of Saginaw came up over the weekend and brought Mrs. Bollman Sr., and her mother, Mrs. Maud Jordan of Chicago up to visit the Bud Bollmans for a while. The Jack Spears returned home to Saginaw.

## BIG BRADFORD LAKE

Mrs. Frank Midkiff

Mrs. Kenneth Reed is home again after spending ten days in Detroit visiting friends and relatives.

Mrs. Fred Wilson Sr., Mrs. George Worthey and Mrs. Frank Midkiff attended the Home Extension meeting April 16th at Town Hall in Grayling on "Landscape Planning" given by Joseph T. Cox from Michigan State University.

Saw a couple of Robins last week, hope this cold weather again doesn't send them back south.

## BEAR LAKE NEWS

Mr. and Mrs. Edgar (Red) Robinson of Bear Lake were happily surprised on their 20th wedding anniversary, April 6th, at the home of Mr. and Mrs. Gordon Crosby on the Manistee River. A wonderful chicken dinner was enjoyed by all, topped off by a beautiful anniversary cake, baked by Mrs. Crosby and decorated with roses and lovebirds around a miniature bride and groom. Mr. and Mrs. Robinson were presented with a beautiful orchid Celloid blanket. Everyone enjoyed themselves visiting and playing the game "Aggravation." Besides the guests of honor were Mr. and Mrs. Marion Lloyd, Mr. and Mrs. Joe Newman, Mr. and Mrs. Notier VanderMeulen, Mrs. Lu Douglas, Mrs. Mabel Dingman, Mr. Duffey Day, Barbara Felke, Tom LaMonte, Robert Robinson, and the host and hostess, Mr. and Mrs. Gordon Crosby plus quite a number of other friends who stopped in throughout the day to wish the Robinsons a very Happy Anniversary.
